Why Software is So Bad

Read the article Why Software is So Bad

Think about whether you agree with Charles Mann or disagree. Write a one page response to the article. Either agree with Mann and support your position with argument or disagree with Mann and support your position with argument.

There should be correct grammar, no spelling errors and no run on sentences. Before you submit your typed essay, be sure to read it out loud to yourself or someone else.

Rubric	
Points made support position	60
Each spelling error	-4

Each run on sentence	-4
Insufficient length/inappropriately large length	-12
TOTAL	60
